

BEACON '64

This Is Our School —

These doors have a special meaning for each and every one of us. They have opened the way to hope, happiness and friends. All of us have laughed, played, and found joy and sorrow within this school building. Now, we open these doors and present to you a portion of this school year, 1963-1964. We hope the memories of this year and those past, will always be dear to each student.

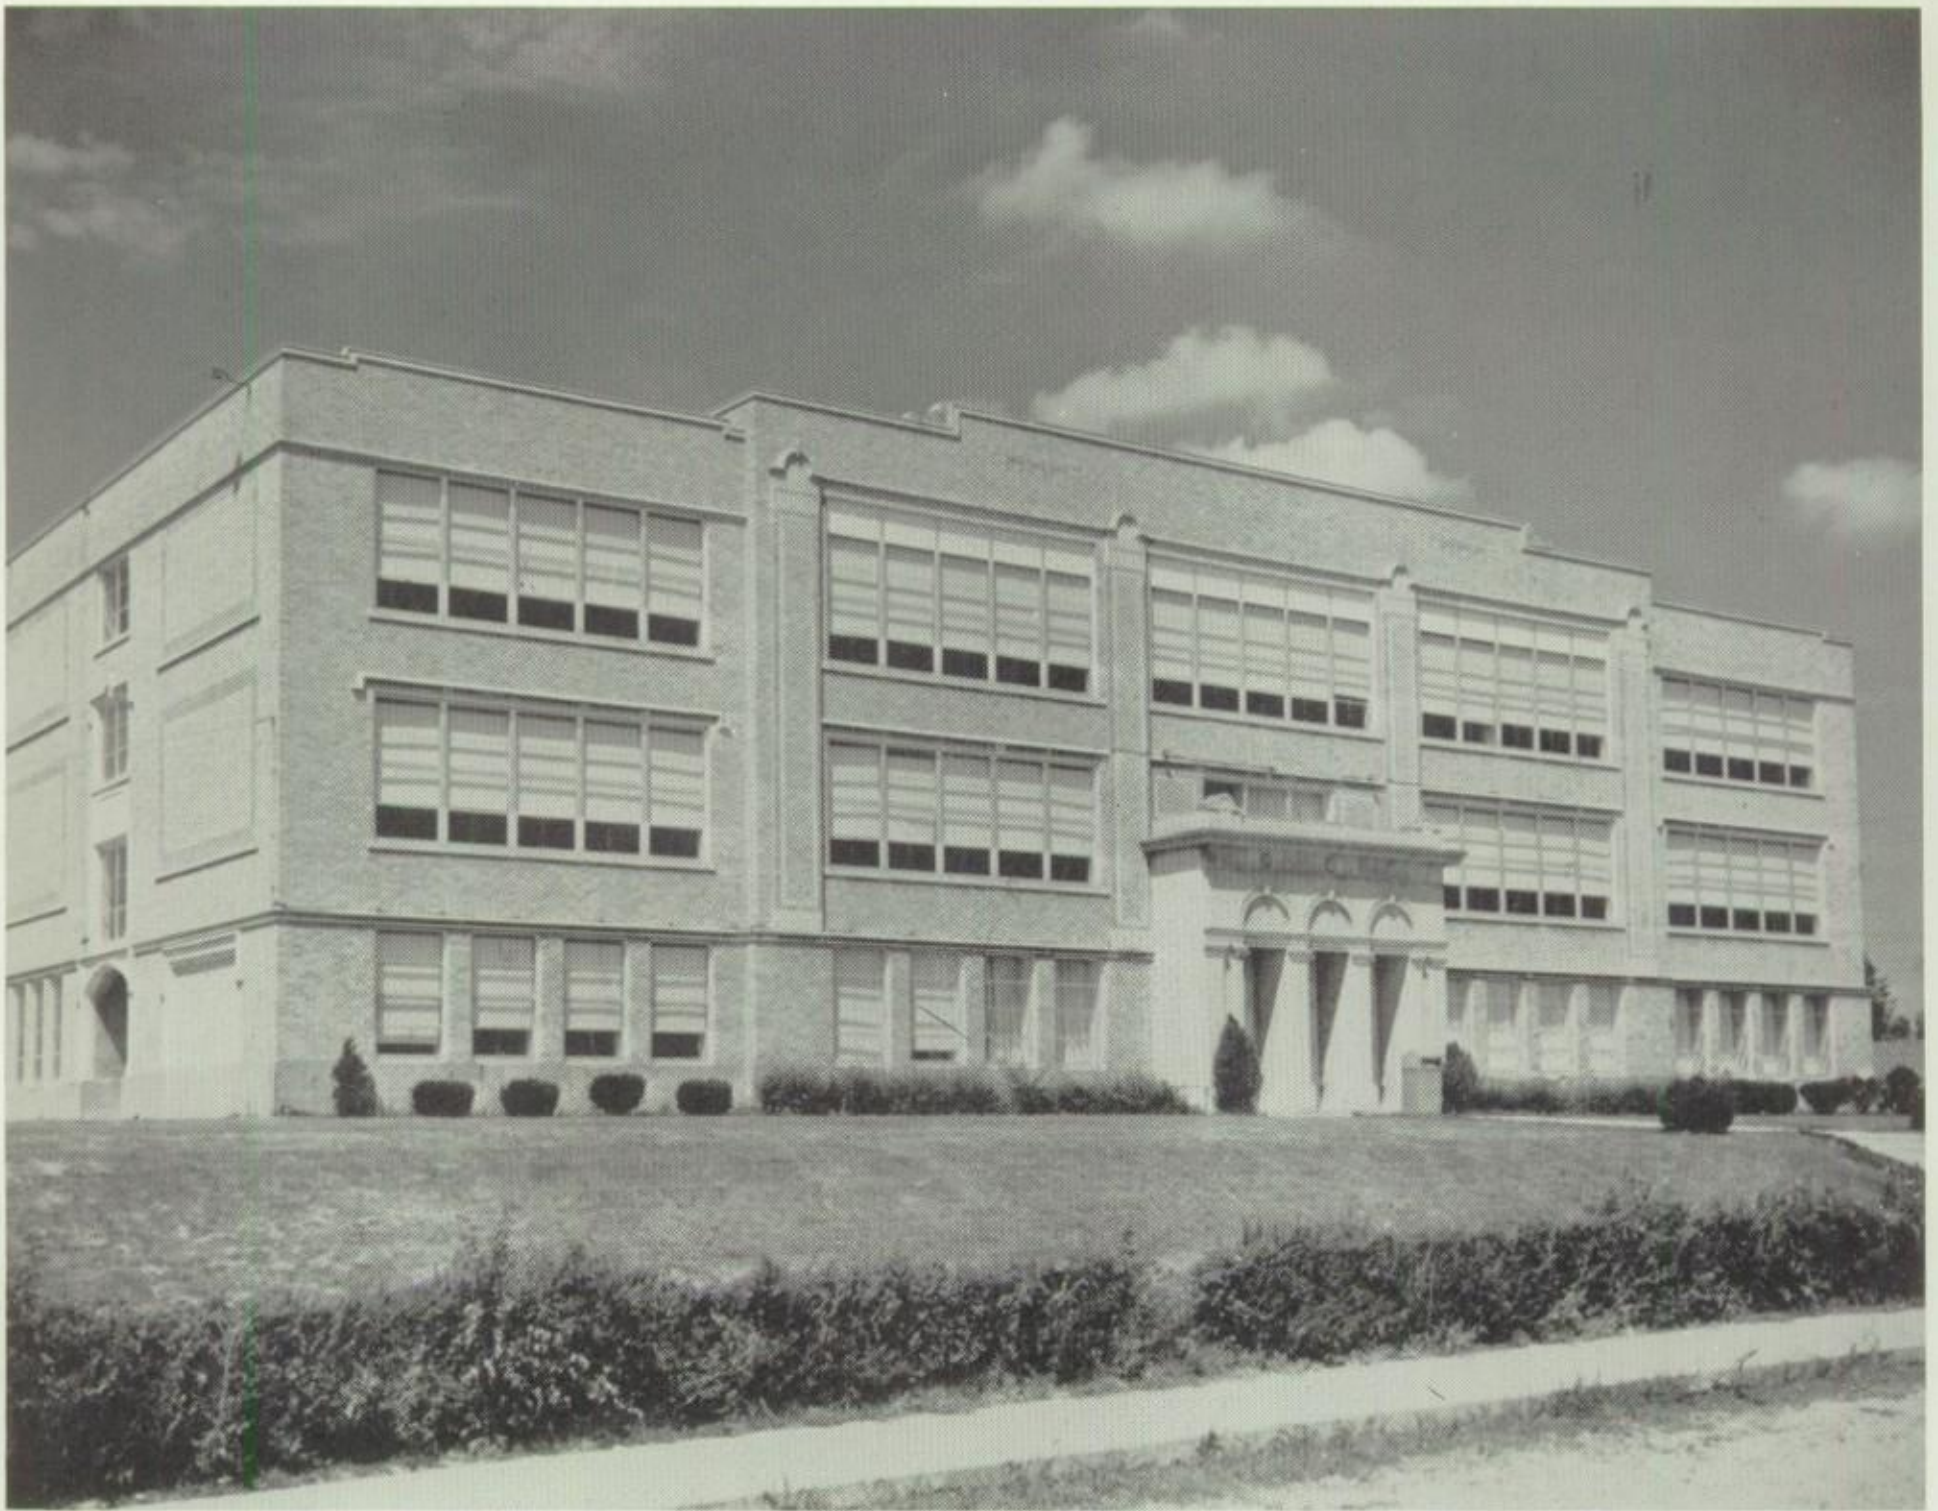

THE 1964 BEACON

Johnstown-Monroe High School

Johnstown, Ohio

Alma Mater

Oh, J. H. S. , dear J. H. S. ,
Our sons will ne'er forget
The golden haze of student days
Is round about us yet;
When days of yore will come no more
All through our many years,
The thoughts of you, so kind, so true,
Will fill our eyes with tears.

And when our high school days are o'er
And life's dark voyage begun,
When waves of sorrow and distress
Our weary souls o'er run,
How bright shall beam thy beacon light
To guide us through the night;
And so we catch its gleaming rays
We'll know our path is right.

When we have left these dear old halls
And bid our friends adieu;
Another throng will sing our song,
That rings through skies so blue;
The memory of our high school life
Shall dwell with us for aye,
We'll all be true to Johnstown High
And to the Red and Gray.

A special acknowledgment would like to be given to Mrs. Dorothy Cooperrider. Her everlasting enthusiasm has helped develop our home economics department to a measure of ultimate success. We shall never forget the many banquets she has served for the school, the F.H.A. and the community. In 1961, at the State F.H.A. Convention, Mrs. Cooperrider received an award for being one of the best home economics instructors. This award was presented by the O.S.U. Home Economics Department which has enabled our department to have student teachers. This also entitles her to serve on committees to interview other future homemakers. As the F.H.A. advisor, she has made many valuable contributions. Not only has she made academic contributions but she has provided a basis of maturity for "her girls." Mrs. Cooperrider will remain in the hearts of many for years to come. Her warm manner and encouraging glow are eternal.

We Salute

We, the Beacon Staff, would like to extend our appreciation to Mr. John Kenyon Payton. As an English teacher, his humorous remarks and encouraging words have added enjoyment to his seemingly endless vocabulary lists and to his presentation of literary works. As the Thespian advisor, his deep interest has developed the organization to the high level it now maintains. His six mile run to Croton cannot be forgotten nor his contributions to the Junior-Senior Proms. His continuous work at the concession stands and his position as chief operator of the intercom are also evidences of his sincere devotion to his profession. Wit, patience, and devotion are only a few of Mr. John Payton's fine qualities. We hope that many students, hereafter, will be blessed with his presence as we have been.

ADMINISTRATION

EXECUTIVE HEAD
MR. BOYD E. SMITH
Bowling Green State University
B.S.; M.Ed.

Superintendent's Message

Congratulations, Members of the Senior Class of 1964. You have completed your high school work and will now be embarking on a new phase of your life. My best wishes to each of you now and throughout your lifetime. May you make the best of every opportunity and contribute something worthwhile to your community, state, and nation as well as to the lives of all whom you may chance to meet.

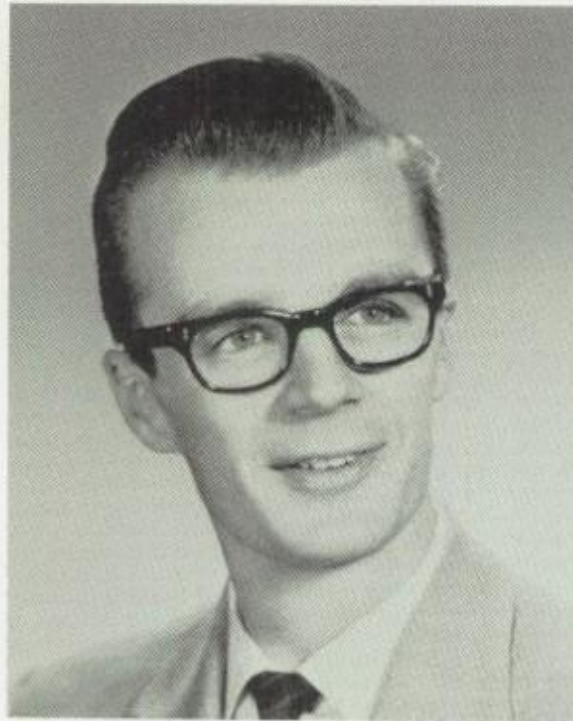

Secretary
MRS. RAE WINDON

PRINCIPAL
MR. CHARLES I. JONES
West Virginia University
B.S.; M.A.

Principal's Message

I express congratulations and best wishes to the members of the 1964 graduating class. May each of you remember, with fondness, your high school days and go forward in life to further happiness and success in your chosen fields of endeavor.

GUIDANCE COUNSELOR
MR. WARREN P. BARBER
Ohio University
B.S.Ed.; M.Ed.

Counseling--

"I don't know what I want to be!" is the familiar wail heard in Mr. Barber's office. Although Mr. Barber has only been at Johnstown for two years, he's worth his weight in gold. He's helped many a student over the rocky road to a successful high school career and we want to thank him most sincerely for it.

Secretary
MRS. ANN COOK

MR. DAVID NOBLE, Clerk of the Board, has been clerk for the past two years. He is presently employed at Technical Rubber Company.

MR. IRVEN BARCUS, Vice-President of the Board and also a member for two years, is our local postmaster. Showing much interest in our community, he is active in church and social concerns.

MR. DONALD E. BUTT, President of the Board, is now serving his sixth year. Employed at Columbus General Depot, he is active in the advancement of our school's academic and athletic program.

MR. GEORGE R. HOUCK is now serving his first year as a member of the Board of Education. Married and the father of two, he is currently employed at North American Aviation.

MR. ROBERT BAKER, past President and member for the past seven years, is an active citizen in the community. He is engaged in farming and also in the field of carpentry.

MR. JAMES HOPKINS, who is very active in church work, is now serving his first year on the Board. Although retired, he is engaged in some major farming near town.

MR. BOYD E. SMITH, Superintendent of the Johnstown-Monroe School System and advisor to the Board of Education for the past five years, plays a very important role in the affairs of our community.

"65 ALIVE!" surely describes this year's Junior Class. An industrious group of real hustlers, the Juniors have added much to the school year. Managing the concessions at the home football and basketball games, the Juniors have worked hard to earn money for honoring the departing Seniors at the Junior-Senior Prom and Banquet. They are only glad that this will be their first Prom and not their last one. Through various skits at the pep rallies and by the November presentation of Agatha Christie's "Towards Zero," this class has entertained the student body and raised their laurels to recognition by all the classes. A deep appreciative thanks goes to the Juniors and their class advisors for a great next-to-last year.

Yearbook King and Queen

JANET SCHAFHAUSEN and TOM BAKER

The honor of Yearbook King and Queen is not bestowed on just anyone. It is usually granted to two Seniors who have worked hard for their class and school and whose personalities outshine all other qualities. This is why Janet and Tom were elected to this position by the Seniors. They have been a real asset to Johnstown High School and to the Class of '64. This is our tribute to them.

Valedictorian

BARBARA MARIE YOUNG

Although she will be the last one to receive her diploma at Graduation, Barbara is first scholastically in her class, having maintained the highest possible point average attainable - 4.0 for a straight College Preparatory course. Besides receiving Valedictorian honors, Barbara has worked hard in extracurricular activities as well. Among her activities are: Future Teachers of America, Girls' Glee Club, Accompanist to Mixed Chorus, Local-County District-Regional Science Fairs, Science Club, Math Seminar, Thespian Plays, Class Plays, Thespians, G. A. A., Pep Club, Cheerleader, Buckeye Girls' State, National and Licking County Honor Societies and is active in both community and church work. An intellectual and energetic girl, Barb plans to attend Miami University and study to become a Biology teacher. A girl with lots of spunk, she will make some guy a good wife and some students a good teacher.

BEST OF LUCK, BARBARA!

Salutatorian

JOYCE LOUISE WAGGONER

One girl who needs no introduction is this year's recipient of Salutatorian honors, having maintained a 3.9 average. Voted "Most Likely To Succeed," Joyce is also noted as Thespian President, Editor of "The Beacon," President of G. A. A., Secretary of Science Club and Student Council. Joyce has indeed played an important role in the outside activities of our school, in that she is a member of Girls' Glee Club, Mixed Chorus, Future Teachers of America, Future Homemakers of America, Y-Teens, Library Staff, Licking County and National Honor Societies. She has also participated in Science Fairs, all four Thespian Plays, and both Class Plays. With an excellent background in dramatics, Joyce will strive at Ohio University to prepare herself as an English teacher. Above all other things, Joyce will be remembered as one who is loyal to her school and to her fellow classmates.

GOOD LUCK, JOYCE!

Best Citizen

THOMAS DALE BAKER

Everybody's "Hero" and a leader's leader, Tom has achieved much in his twelve years at Johnstown-Monroe. Well-liked by his classmates and fellow students, he has been President of his Class for the last three years and has served on the Student Council representing his class. Tom was even elected Vice-President of his Freshman Class. An all-around type guy, this State Farmer has been in Future Farmers of America throughout high school and is presently President of the organization. "Bake" has also participated in Science Fairs, the last two Thespian Plays, both Class Plays, Basketball, and Intramurals. Tom is presently a member of Thespians, Licking County and National Honor Societies, the latter of which he is President. Besides being "Best Citizen," he is also noted as "Yearbook King" and "Most Likely to Succeed." Tom's humility is a great asset to his willingness to succeed.

Congratulations, Tom!

Gary Cooperider, commonly referred to as "Coopie," is one of the most humorous boys in the Senior Class. His main interests are go-carting and messing around in the lab.

Ed, "Better Late than Never," Haffey will be remembered for his famous quotation, "Dr-r-r-r-r!", and the fact that he made the All-County and All-Opponent Teams.

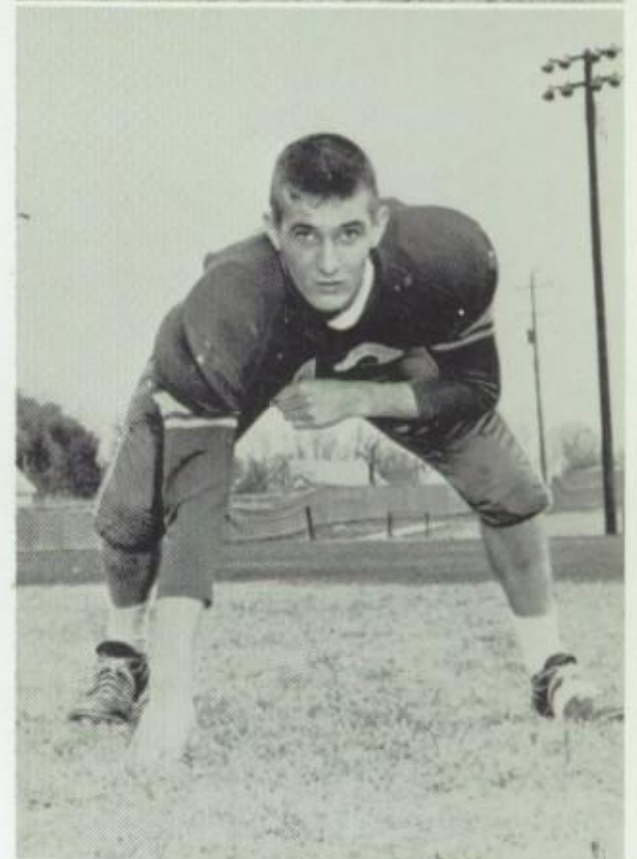

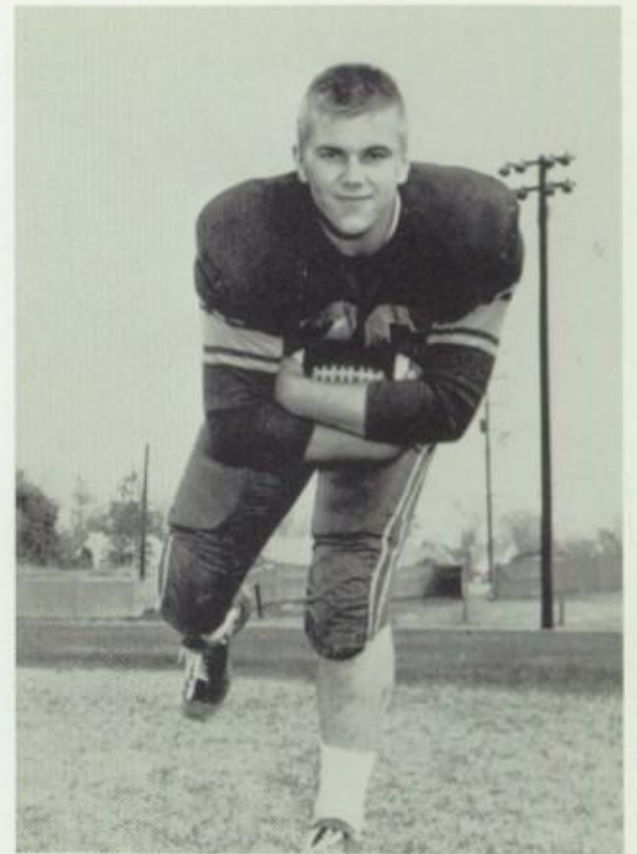

Harold, "Dallas," Jones is a real cool guy. He has a number of interests such as writing great literary works for the school paper and making pep posters.

Tom Piper plays around at a number of things, when he isn't at Whitehall. He is one of the privileged few who take Agriculture. He has the distinction of being the Vice-President of our chapter of the Future Farmers of America.

Thomas Nugent Tavener, who is known by a number of names, is the most active guy in this year's Senior Class. He spends most of his time telling everyone how great Barry Goldwater is.

COACH-OF-THE-YEAR

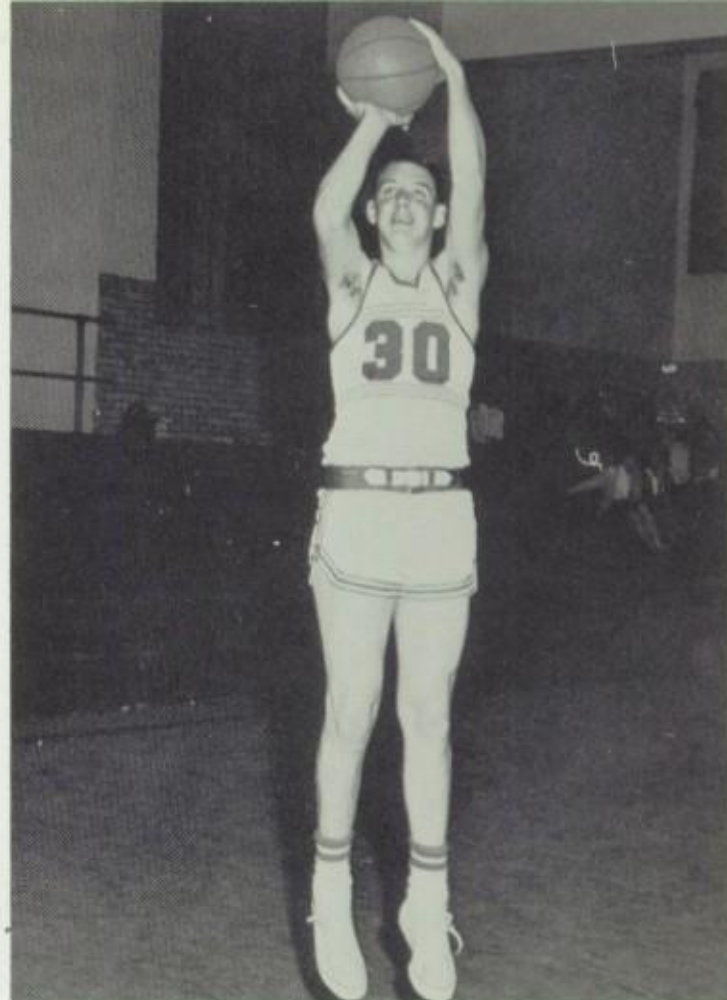

COACH, CHUCK KESSLER

"Silly Charlie" is this year's Co-Captain of the Varsity Team. Having played throughout all four years of high school, he has played three of these years on Varsity and only one on Reserves. Charlie made ' All-County Team this year and was ranked fifth in the county in scoring. This 6'2" forward is also active in Future Teachers, Science Fairs, Science Club, and was Lana's escort to the Homecoming. Charlie's future plans are to attend Ashland College and enter the field of education, later planning to be a coach. This cool guy was also voted the "Most Talented" by the Senior Class.

Varsity Basketball Senior Lettermen

"Rick" or Birdlegs, " who was elected Vice-President of his Senior Class, is the only other Varsity Basketball Letterman. Rick used his 6'2" frame also as a forward this past season. Like Charlie, too, he has played only one of the four years he's played on Reserves and the other three on Varsity. Besides presiding at class meetings when Tom Baker is absent, Rick manages to find time for Science Fairs, Science Club, Class Plays, Thespian Play, Thespians, Track, Baseball, and Student Council. As of yet, Rick has no immediate plans for the future. All in all it has proved a very rewarding year for Rick and whatever career he may choose to endeavor, we're sure he will be a success.

Coaches

Above (Left to Right): Mr. Brent Umberger, Mr. Doug Grandstaff, Mr. Cletus E. Beam, Mr. M. Monroe Wright and Mr. Charles F. Kessler.

The newest addition to our coaching staff is our Golf coach, Mr. Brent Umberger. Receiving his B.S. in Education from Ohio University, Mr. Umberger came to Johnstown last year. He is presently the Industrial Arts instructor and also teaches Driver's Training to students eagerly awaiting to drive.

That man over there passing out female cigars is our own head Football coach, Mr. Grandstaff. Doug also serves as assistant Track coach and is this year's coach of the Reserve Basketball team. "Grannie," as he is called by his inspired athletes, is now teaching his third year here after having received his B. S. in Education from Tarkio College - Tarkio, Missouri.

No one can honestly say that Mr. Cletus Beam isn't active in the athletic program of our school. He is High School Track coach, Junior High Football and Basketball coach, director of both Junior and Senior High Intramurals. Besides all this he even finds time to teach Phys Ed and History. The interest of his students' well-being has kept him many an hour after school.

Serving as past Golf coach and presently assisted as Football coach, Mr. Monroe Wright is the teacher of all those hard Math courses. He can often be found giving advice to the Student Council or instructing the Visual Aids boys in setting up the equipment. Getting his B.S. from Otterbein, he is also an expectant father.

Mr. Charles Frederick Kessler, a former high school and college great, was voted by the coaches of Licking County as "Coach of the Year." Teaching his fourth year at Johnstown, and is now acting as head Varsity Basketball and Baseball coaches. Chuck has also assisted as coach for the Varsity Football team. An All-around "neat guy," Mr. Kessler is respected as a coach whose main goal is a winning season.

Buckeye Boys' State was the greatest thrill of my life. This year 1,320 boys participated at Boys' State. I believe what we all gained most was the adjustment to all new faces and learning about our government. The ten days at Boys' State really were interesting and enjoyable.

- Tom Tavener

Buckeye Girls' State was sponsored by the American Legion Auxiliary. The selected girls spend a week together as if they were a state. They are taught the rights, responsibilities and functions of government on city, county, and state levels. They carry on campaigning, elections, and government functions.

The graduating Senior Class presented the hit-comedy "Harvey" written by Mary Chase. This play marked the final performance for many Thespians who have worked hard and very ambitiously throughout high school in numerous plays. "Harvey," the big white rabbit, had been here before. At that time there were three Freshmen in that play who repeated their performance in this play. It is truly remarkable that these students have attained membership as Thespians for they have earned it. This play would not have been complete if it had not been for our great director, critic, Thespian advisor and neat guy, Mr. John Payton.

Advisor for this year's Thespian troupe was none other than Mr. John Kenyon Payton. Troupe 7 had exactly nine members at the beginning of the school year. After "Towards Zero" in November, thirteen Juniors became Thespians. In addition to the old Senior members, two new candidates were taken in after the Christmas Three One-Act Plays and then after the Senior Class presented the comedy "Harvey" seven other Seniors became members of this dramatics society. Now there are thirty one members to this honorary society who have proven their drama abilities. To finish up the year, Thespian members attended the musical "Carousel" at Mershon Auditorium.

Licking County Honor Society

This year Johnstown-Monroe High School was honored to act as host for the Licking County Honor Society. Tom Tavener, this year's President for the Licking County Honor Society, presided at the program. The new members initiated this last March 2 were: Tom Baker, Janice Bratt, Judy Helmbrecht and Janet Schafhausen (Seniors); Kirby Barrick, Fritz Caudle, Kathy Heimann, Dan Humphrey, Jane Long, Terry Priest and Shirley Smith (Juniors). The members are chosen for the Honor Society by the faculty on the basis of scholarship, leadership, character and service. Membership into the Licking County Honor Society is indeed a great honor to be bestowed upon a student; all members are to be congratulated.

At Right: President of the Licking County Honor Society - Tom Tavener.

Thank You

As it was once stated, "No man is an island." This is also true of a yearbook staff - the responsibility lies not with one, but with many reliable and willing workers. Yet these are not all that are necessary. Greater still is the need for an experienced advisor and a skilled photographer. This year's "Beacon Staff" was fortunate enough to have all of these.

A very special thanks goes to a hard working Staff who've "stuck through thick and thin" this past year. They were: Kirby Barrick, Sue Conard, Kathy Heimann, Dave Heimerl, Dan Humphrey, Lana Johnson, and last but not least, next year's editor - Terry Allen Priest.

An even bigger thanks goes to none other than Mr. Wayne Cubberly. This man may be small in stature but he's huge in adeptness and generosity. He has unselfishly given of his time and effort to make this a top-notch yearbook. His many suggestions and ingenious ideas have always proved quite successful. It is with deep appreciation and infinite gratitude that we thank this man behind the camera.

But the biggest thanks of all goes to our advisor, Mrs. Harriett B. Lawler. As far as she has been concerned - "The yearbook always comes first." She has gone beyond the call of duty to share her time, advice, and invaluable experience with the members of the Staff. Through the many hours spent in struggle over meeting deadlines, completing pages, and keeping records straight, we've grown to love and respect this "wonder woman" who is, in a way, a mother to us all. Next year when the laurels are passed out, it will be quite apparent that Mrs. Lawler has been missed.

Thanks to you all for making '64 the best year yet.

Joyce Haggner
